## January report

- Clearing snow and moving piles
- Gravelled icy roads
- Clearing snow and ice off sidewalks
- Worked with Joe at HGCC to learn how to clean flame sensors
- Picked up a snow bucket for the skid steer
- Installed an amber beacon on the village truck
- Got Fenix mechanical to do a full service on the boiler at HGCC
- Took down Christmas lights on Saskatchewan street
- Joe installed a new heater in the shop
- Changed filters for HVAC system at HGCC
- Boiler is still having issues at HGCC and Fenix mechanical is sorting it out.
