

PROPERTY & MOWING SERVICES INFO

The Village of Elbow would like to encourage property owners to **make their own arrangements for the regular mowing of their residence or lot(s).**

It is your responsibility to maintain your property

All Village of Elbow property owners who own vacant land or are here once in a while are encouraged to **fill out the “Property & Mowing Services” form attached and return it to the Village of Elbow office ASAP. Find the form at one of the following:**

- On our website page: www.villageofelbow.com
- On our Facebook page
- Ask for one by email: elbow2@sasktel.net

Lots must be mowed and weed whacked regularly when the need arises. If your lot is found to be overgrown, you will be notified by email to comply within 7 days of the notice as per Bylaw 13 - 2023.

If you do not comply, you will hereby allow the Village of Elbow permission to provide the service at a minimum charge of:

\$150.00 per residential lot each time

\$150.00 per hour per acreage lot each time

**** In order to avoid these charges, please fill out and return the “Property Mowing & Services” form ASAP**

This year we have some students/adults expressing interest in mowing lawns. Please contact the following individuals **directly** to make arrangements.
