Dear Residents of Elbow,

Over the past several years, the Village has received numerous inquiries and requests regarding the resurfacing of village streets.

In response, we have gathered information from contractors on available resurfacing options, recommended products, and associated costs.

Before any decisions are made, Council would like to engage with community ratepayers to present this information and provide an opportunity for feedback and discussion.

The community meeting will be held on Saturday, August 15th, 2026th from 9:00 a.m. to 10:30 a.m. at the Harbor Golf Community Center in the Letts Family Auditorium.

We encourage all residents and ratepayers to participate and share their input as we consider this important community project.

Regards,

Village of Elbow Council
