

6 Yard Construction Bin Rental Contract (upd Feb 2026 - new tip rate)

OFFICE USE ONLY

Date of bin placement: _____ of _____, 20_____

Name: _____ Phone #: _____

Email address: _____

Terms & Conditions

- Customer agrees to pay **\$78.75 for the 6 yard construction bin rental**. The container rental includes use for up to **30 days**. If you still require the container after 30 days, another charge will be levied and thereafter for subsequent rentals. **NO partial month prorates even if you use it for a day or two!**
- When a **bin needs to be tipped (emptied) / removed it will cost the customer \$183.75 per tip/removal**
- Payment for all base fees (rental & prepaid tip \$262.50) as well as any known additional rental time are due prior to delivery of the container.** Any additional fees due to **overweight or other fees not paid upon delivery** are due within **14 days of container pick up**. **Loraas has said that the contents have to be level with the top edge of the bin - anything sticking over the top edge will be counted as overage. They have an AI camera to measure that. So it is cheaper for you to tip multiple times than incur overage fees.** For heavy contents - the bin has to be half full e.g. shingles and such.
- Any unpaid balance after 30 days will start to accrue 5% interest from the date the container was picked up until paid in full. If paying by cheque and the cheque is returned for insufficient funds from the banking institution, the Customer will be charged a **\$25.00 NSF Fee** and they are responsible for any other returned cheque fees.
- Please fill in this form and return to elbow2@sasktel.net and we will send you an invoice which has to be paid immediately before delivery.**

Construction Bin Use (what is NOT allowed)

While the bin is in the Customer's possession, the Customer will **NOT** place or allow to be placed into the bin the following:

- Liquids of any kind** whether contained or not.
- Cans, drums or other container of any kind unless emptied, crushed and incapable of carrying any liquid.**
- Medical waste or animal carcasses of any kind.**
- Any material not listed above however considered unsuitable for containment e.g. **malodorous waste: asbestos, paint, ties, gas bottle, fluorescent tubes, light bulbs, vehicle batteries, household appliances such as but not limited to refrigerators, conventional ovens, microwave ovens, washer, dryer, etc.** Some of these can go to the transfer site; there are restrictions however.
- Extremely heavy material such as rock, dirt, concrete. Shingles can only fill 1/2 bin.** The Loraas Disposal trucks are unable to lift these extremely heavy materials. Any charge that Loraas charges us for not being able to lift the bin will be billed back to you.
- Substances hazardous to health such toxic or corrosive materials or liquids.**
- All refuse shall remain within the confines of the construction bin **and shall not exceed the top or sides**. Every attempt shall be taken to equally disperse the weight of the refuse within the construction bin.
- Customer shall be liable for any loss or damage to rented construction bin in excess of reasonable wear and tear.

Access and Ground Conditions

- Customer will be responsible for the provision of free and suitable access to and from the delivery site (**there should be NO overhead wires above bin placement site; including the removal and reinstatement of local obstructions**) and for ensuring suitable ground conditions for delivery, placement and removal of the construction bin. **No responsibility will be accepted for the damage to any surface and you should therefore take steps to protect surfaces (e.g. paving slabs, soft ground) before delivery.**
- Should the container cause damage to concrete or asphalt during loading or unloading. Village of Elbow is only responsible if this is due to **our** negligence. We have specifically identified that heavy containers may cause damage as well as the placement of these heavy containers.
- Since the Customer may not return the construction bin, the Village of Elbow maintains the right to enter upon the premises where the container may be without notice and take possession of and remove it at the customer's expense; all without legal process, the Customer hereby waiving any claims for damages from any such entry or removal.

I, _____ understand and agree to all of the above Terms and Conditions.
Customer's First & Last Name (print please)

Bin will be placed at: _____, ELBOW. Invoice will be emailed to customer at the provided email address above.
